Amici's...A Work In Progress

Dear Friends,

For more than 20 years, Amici's goal has been to provide our clients with excellent customer service. We have hired the best professional stylists and service consultants in many fields who stay current with hair-styles, top of the line skin and makeup products, and massage techniques. Our continuing education programs and certifications are current and, we are proud to say that many awards have been presented for outstanding performances.

We have also extended our services in two senior communities at our Amici's mini-salons and are grateful for the welcoming response we have received.

In keeping with our clients' needs, we have developed "HIGHLIGHTS by Amici's", a newsletter which will be on our website, www.amicissalon.com, through our free email subscription and at the salons.

Please feel free to offer suggestions or comments on-line or in person, so we can communicate with you often.

Thank you for your loyalty and we continue to seek ways to improve and to nurture our relationships.

Frank Minniti

P.S. Remember February is heart month. Be sure to ask your doctor to schedule a stress test and get to know your numbers: blood pressure, cholesterol, blood sugar.

AMICI'S PRODUCTS OF THE MONTH

This month's products are **Arbonne Hand and Foot Creams**.

We also recommend: **AG, Aquage, OPI, Schwarzkopf and Creative**.

Ask Your Stylist if they recommend these products for you!

Winter Care for Hands & Feet

One of Amici's Nail Specialists, Anna, states that this is the best time to get your nails, especially, toe nails ready for sandal season. Often during the winter, we let our feet and hands go because most of the time they are covered with mittens, gloves and wooly socks.

Now is the time to take advantage of your nail consultation with one of the Amici's specialists and the discount coupon on the back page.

Anna, also recommends **Arbonne's Intelligence Hand Cream** and **Herbal Foot Cream** to use daily as a preparation for showing off your beautiful hands and feet when the weather changes.

Pick up one of each before you leave the salon the next time you're in or ask the receptionist when you call for an appointment to reserve one tube of each.

Women's Club Kudos

Dear Frank,

"Fabulous Frank" to those in the Bloomingdale Women's Club, and a wizard to those of us who depend on you to make us look fabulous, you have no idea how much we appreciate all you have done for us in the past few years.

We can always depend on you to provide us with terrific baskets of products and gift certificates...and time and expertise on your busiest

morning to make sure the models in our fashion shows look fabulous, too!

There are not enough words to say how much we appreciate you and all you have done for the Bloomingdale Women's Club and its members.

Fondly,

Fay Herbach

President
